CLASS HISTORY

1939-1945

CLASS MOTTO

"Today decides tomorrow"

Grade Seven

The fall of 1939 saw us, the class of 1945, enter the portals of Barnstable High School. We were faltering, naive, but full of hope and sure that we would leave this institution polished and sophisticated young people of the world. The new additions to the building, built the summer prior to our entrance, gave all one hundred fifty-one of us more territory in which to get lost.

Several members of our class were musically inclined upon their entrance into this institution of learning. Marjorie Cole and Virginia Backus offered their talent to the Senior Orchestra; Helen Phinney, Pearl Marney, Weston Elliot, Curtis Hinckley, Richard Ivery, Myron Bettencourt, Catherine Arfanis, Thomas Marston, Paul Morris, Charles Buckler, Louis Canut, John Shuttleworth, Helen Joyce, and Eunice Scheinbok played in the Junior Orchestra. The band was augmented by Louis Canut, Charles Buckler, Paul Morris, Thomas Marston, and Henry Fellows.

Five of us participated in the Junior High School Speaking Contest. Peter Groop placed first, Eunice Barauck placed second; others were Mary Childs, Charles Thomas, and Eunice Scheinbok.

Grade Eight

We came back in the fall of 1940, beautifully tanned from our summer of leisure, and we began to settle down to the school year's curriculum. We were now able to direct the little seventh graders to their destination; whereas, a year ago we found ourselves going down the wrong corridor many times.

This year we welcomed several new teachers to Barnstable High School. Miss Saunders, Mrs. Barr, Miss Corcoran, and Mr. Linehan became a part of our faculty.

Musical talent in our class was improving, and some of us were promoted to play in the Senior Orchestra, but our group of musicians remained substantially unchanged. Carolyn Pihl, Virginia Backus, Alice Soucy, Sally Brown, Barbara MacIsaac, Marjorie Hebditch, Frances Rocha, and Beatrice Savinelli joined the twirling corps.

Again we took part in the Junior High School Speaking Contest, sponsored by the Hyannis Women's Club. This year Eunice Scheinbok won first prize and John Senteio, second.

Grade Nine

In September, 1941, we came back to school a bit more confident of ourselves and ready to take part in the many new fields of activity now open to us.

New faculty members were Miss Frisone, Miss Coffman, Miss Buckley, and Mr. Rogean.

The "Clipper" interested our literary light and Peter Groop, Marjorie Cole, and Freeman Scudder joined the editorial staff, while Bill Segerman and John Cotter joined the business staff.

We had artistic talent in our class also. Sally Brown was the winner of the Junior High School War Poster Contest.

This was the first year that members of our class were eligible to participate in sports and we were very proud when Peggy Lebel and Cynthia Lewis made the first string in basketball, and Frank Hinckley did likewise in football. Girls' hockey squad claimed Peggy Lebel, Ruth Phillips, Irene Drew, Esther Davidson, Barbara MacIsaac, Cynthia Lewis, Sally Norris, Pearl Marney, Ethel Tomkins, Virginia Backus, Sally Brown, Priscilla Wittenmeyer, and Betty Young.

Our musicians this year included Marjorie Cole, Eunice Scheinbok, Helen Joyce, Catherine Arfanis, Ruth Phillips, and John Senteio in the Senior Orchestra; and as band members, Bob Childs, John Shuttlewoth, Henry Fellows, Charles Buckler, John Senteio, and Clarence St. Peter. All of these students participated in the Victory Concert.

Interest in dramatic activity ran high; and, as members of the Junior Dramatic Club, Marion Martin, Mary Childs, Virginia Backus, and Mary Bloom took part in "A Good Egg." We were honored when Robert Benjamin was placed on the first team in debating and helped Barnstable High School win the Massachusetts State Debating Tournament of the National Forensic League.

Junior Red Cross activities were under the supervision of Miss Coffman and we, as ninth-graders, did our share of collecting books, making mail boxes, and raising funds for the Red Cross drives.

With the completion of these many activities, we brought our ninth year of school to a close.

Grade Ten

We returned in the fall of 1942 eager to begin school once more. This year we were more than a numbered grade; we became the sophomore class. For the first time we elected class officers to guide us through the maze of class activities that were before us. Peter Groop became our president; David St. Coeur, vice-president; Mary Childs, secretary; and Marion Martin, treasurer.

Many of us were active in sports this year. Girls who went out for hockey were Virginia Backus, Priscilla Wittenmeyer, Sally Norris, Pearl Marney, Wilhelmina Pells, and Evelyn Foote. A great many more of our class also became engrossed in the athletic field, participating, in football, baseball, boys' basketball, and girls' basketball.

Again several of us were playing in the band and orchestra. John Senteio, Clarence St. Peter, Henry Fellows, John Jordan, Peter Groop, Marion Martin, and Charles Buckler were in the band; Eunice Scheinbok, Weston Elliot, Charles Buckler were in the orchestra.

The "Clipper" staff attracted several of us this year. They were Peter Groop, Roger Field, Eunice Scheinbok, and Isabel Zappone.

We looked forward to our summer vacation after this busy year, but we also anticipated returning in September to take our place as juniors.

Grade Eleven

Returning in September of 1943, we found new faces among the faculty and students. Miss Sutton, Miss Jones, Miss Shea, Miss Jolikko, and Mr. Stevenson provided this change in faculty members.

Class elections were the starting point of social events for the year. Peter Groop was again installed as president, David St. Coeur as vice-president, Helen Phinney as secretary, and Marion Martin as treasurer. Virginia Backus, Roger Field, and Bill Segerman were chosen to represent our class on the Student Council. With the loss of Mr. Shields, we elected "Doc" Levinson as our advisor.

Now that we were becoming known, several of our classmates became full fledged members of various organizations.

In the athletic field we produced Bob Childs, Roger Field, Peter Groop, David and Peter St. Coeur, Dick Coggeshall, Vernon Goffin, Steve O'Brien, Walter Palmunen, George MacMillan, and Henry Fellows for football. Peter Groop, one of the two leading scorers of the Cape, and Donald Crowell, represented us in basketball. In the cheering section our class had Anna Pike to carry the honors for us. Junior girls who donated a great deal of enthusiasm to the basketball squad were Priscilla Wittenmeyer, Virginia Backus, Barbara MasIsaac, Carol Ames, Peggy Lebel, Janet Fish, with Cynthia Lewis as manager. This year the team presented a clean

slate, thanks to the squad and fine coaching of Miss Nehubian. Baseball brought Steve O'Brien, Roger Field, Dick Coggeshall, Peter St. Coeur, Clarence St. Peter, Vernon Goffin, Arnold Nickerson, and John Senteio as manager, out into the spring breezes. The football-basketball banquet, with its presentation of letters and certificates for sports, provided a great source of happiness to many students.

Our girls were now ready to enter the Girls' Glee Club and the majority took advantage of the opportunity. Participants in this organization were: Marilyn Hansen, Marion Bearse, Mary Lou Shekell, Edna Murray, Jean Goodall, Priscilla Wittenmeyer, Pearl Marney, Carol Ames, Priscilla Dean, Helen Phinney, Marion Martin, Shirley Fulcher, Helen Joyce, Evelyn Amaral, Betty Frazier, Marjorie Hebditch, Mary Childs, Eleanor Murphy, Betty Young, Louise Landers, Janet Fish, Catherine Arfanis, Ruth Phillips, Irene Drew, Barbara MacIsaac, Irene Mederois, Cynthia Lewis, Sally Brown, Alice Soucy, Barbara Clough, and Jean Davis.

This was the last year that members of our class could be placed on the "Clipper" staff. Mary Childs, Isabel Zappone, Lucy Ashley, Louise Landers, Cynthia Lewis, and Mary Lou Shekell assisted Eunice Scheinbok, our editor-in-chief.

Active in the music field were Eunice Scheinbok and Marion Martin in the orchestra, and Peter Groop, Clarence St. Peter, Marion Martin and Henry Fellows in the band. These two organizations engaged in several local activities as well as school events.

May of this year brought forth our Junior Prom which was the main event of our junior year. The members of the committee and Mr. Levinson were greatly rewarded for their hard work by the enthusiastic exclamations in regard to the beautiful setting which was a southern garden. Those attending the event were led in the Grand March by Peter Groop and Edna Murray.

With all these events and activities behind us, our junior year had come to an end, leaving many pleasant memories.

Grade Twelve

In the bright autumn of 1944, eighty-five eager students of the class of '45 rambled back to the classrooms of B.H.S. to complete their last high school year.

Again we started off with a full year ahead of us. Our class showed its appreciation of the expert leadership of Peter Groop by electing him as a third term president. He was supported by Steve O'Brien as vice-president, Helen Phinney, secretary, and Marion Martin as treasurer. Continuing as Student Council representatives for us were Virginia Backus, Henry Fellows and Roger Field.

The senior class produced two outstanding students in sports in Priscilla Wittenmeyer, captain of the girls' basketball team; and Peter Groop, outstanding forward on the boys' basketball team and honorary captain.

They were recognized in this capacity when they were elected King and Queen of Sports. Other members of our class taking part in the athletic field were George MacMillan, Henry Fellows, Dick Coggeshall, Steve O'Brien, Roger Field, Walter Palmunen, Bill Segerman, and John Senteio as manager, and Robert Childs as captain in football. Peggy Lebel, Priscilla Wittenmeyer, Janet Fish, Betty Young, Wilhelmina Pells, Marie Lus, and Mercia Monteiro,

in hockey; Peter Groop, Dick Coggeshall, and Donald Crowell, in boys' basketball; Priscilla Wittenmeyer, Pearl Marney, Barbara Clough, Janet Fish, Jean Goodall, Shirley Fulcher, and Cynthia Lewis, manager, in girls' basketball; and Roger Field, George MacMillan, and Bill Segerman, in baseball.

Priscilla Wittenmeyer received the D.A.R. Citizenship Award.

In bringing our musical organizations up to date, we find in the orchestra Eunice Scheinbok, who was chosen as concertmistress for the year, and Marion Martin.

During Mr. Griffith's seventeenth year of service in the musical activities of B.H.S., he had as senior members of his band Clarence St. Peter, Peter Groop, Marion Martin, and Henry Fellows. Our senior girls found the Glee Club very active this year. To begin the year they elected officers with three of our class among them, Marilyn Hansen as president, Cynthia Lewis as treasurer, and Priscilla Wittenmeyer as student respresentative. Many girls participated in a special Christmas chorus and two Red Cross choruses under the direction of Miss Barton. This year the orchestra, band, and glee club presented a winter and a spring concert under the able leadership of Mr. Griffiths and Miss Barton.

There were many entirely new ideas presented in our yearbook, thanks to the energetic "Barnacle" staff under the enthusiastic guidance of Miss Coffman. Members of this staff were Peter Groop, Jean Goodall, Roger Field, Priscilla Wittenmeyer, Henry Fellows, Eunice Scheinbok, John Senteio, Barbara MacIsaac, Bill Segerman, Helen Phinney, Myron Bettencourt, and Pearl Marney. Many other members of our class also contributed a great deal of time and work to the production of the "Barnacle."

Honors go to Eunice Scheinbok and Peter Groop for the composition of the class song of 1945.

Peter Groop, Roger Field, Bill Segerman, Steve O'Brien, Henry Fellows, Mary Childs, Virginia Backus, Janet Fish, Jean Goodall, Louise Landers, Betty Young, and Dorothy Fish comprised the cast for the presentation of our class play, "A Connecticut Yankee in King Arthur's Court," by Mark Twain. As a result of Mr. Cheever's expertly trained characters, the highlight proved a successful and gala affair.

With the end of our high school career now in full view, "Doc" gathered his flock around him and began to make plans for class day, senior banquet, and graduation.

Thus after six happy years in which we worked and played, formed fast friendships, tried, with the help of sincere, capable, and friendly teachers to develop our aptitudes, abilities, and our characters, we feel that we owe much to Barnstable High School. The world that we now enter is unsettled and chaotic, but we know that the guidance we have received here has prepared us well for the future. We leave Barnstable High School sadly, but we feel well equipped and well prepared to face the opportunities that lie ahead of us.

Acknowledgment

For six years our class has been under the general guidance and supervision of the entire faculty. To all teachers in Barnstable High School we are most thankful for their efforts on our behalf. However, had it not been for the extra-curricular work that some faculty members did most willingly, the records would have been decidedly different. In acknowledging these teachers for what they have done, it is not necessary to review their unselfish efforts; rather, it is just for us to express herein our sincere gratitude and appreciation for all their achievements. What they have done for us is already instilled in our memories, and the manner in which they gave so freely of their time will remain with us throughout our lives; it will serve as a worthwhile example of fellowship and co-operation. Therefore:

To Miss Barton for her fine work with the Senior Girls' Glee Club; to Mr. Griffiths for his necessary and competent advice and efforts concerning the class song and commencement music; to Miss Jones for her most valuable advice and assistance in preparing the art for this "Barnacle;" to Mr. Hodge for his understanding and wise counsel with which each senior is familiar; to Miss Coffman, faculty advisor for this "Barnacle," for her outstanding achievement and tireless efforts in preparing this successful yearbook; to Mr. Cheever, class play director, whose efforts alone were responsible for the success of the play; to Mr. Levinson, who as class advisor has guided us unerringly through each activity sponsored by our class in its junior and senior years—to each of you the class of 1945 expresses its deepest and most sincere thankfulness. We won't forget you and what you have done for us.

Band

The Barnstable High School Band has been fortunate in again having Samuel Griffiths as its director.

A large percentage of students, as usual, has participated in the band this year.

Throughout the year the band has been very helpful in participating at the football games, and for the playing during the assemblies.

They have given two concerts during this past year which have been very successful. They were also "on the air" over WCOB.

The Senior Orchestra, the Band, and the Glee Club gave two highly successful concerts, a Winter Concert and a Spring Concert, this year. The orchestra also sponsored a radio broadcast over station WOCB.

The senior class is particularly grateful to Mr. Samuel Griffths for his work in preparing the orchestra to play intermission music for the senior class play and for making our graduation a more impressive occasion by providing music for it. We wish to thank him also for keeping up the standards of the Senior Orchestra by patiently training promising musicians in the junior high school in the Junior Orchestra.

Senior Orchestra

The seventy-nine members of the Glee Club under the direction of Miss Dorothy Barton have participated in several activities during the year.

Before starting upon the active year, the club elected the following officers: President, Marilyn Hansen; vice-president, Rachel Fisk; secretary, Nancy Sturges; treasurer, Cynthia Lewis; and student representative, Priscilla Wittenmeyer.

A special chorus sang for the Christmas assembly. Another chorus participated in a Red Cross show and a concert held in the Barnstable High Auditorium. Before the close of the year, the entire club had completed a study of a popular piece of music.

Glee Club

The "Clipper" Staff

Barnstable High School's magazine, the "Clipper," differs from many high school publications in that it not only covers the school news and gossip competently, but also publishes the best literary efforts of junior and senior high school pupils. This year the "Clipper" staff sponsored a short story contest and a poetry contest and awarded prizes for the best prose and poetry written by the student body.

In keeping with its tradition, the "Clipper" staff was composed of students from the seventh through the eleventh grades, and considering the adverse war-time conditions under which they worked, they did a splendid job in putting out three issues of the "Clipper" this year. The Senior Class extends its compliments to this energetic group and to Miss Kathleen Lucas, its capable faculty advisor.

Much credit goes to the business staff and its advisor, Miss Doyle, and to the typists and their advisor, Miss Hayden.

Class Play

The Senior Class Play, "A Connecticut Yankee in King Arthur's Court," is a hilarious comedy in three acts that deals with the adventures of a young ambitious Yankee who finds himself thrown back into the first half of the sixth century. He cannot believe it at first, thinking that the unusual people with whom he comes in contact are inmates of an insane asylum. He is soon convinced otherwise, and he immediately leads the gullible people of King Arthur's court to believe that he is a great wizard. He quickly establishes a completely twentieth century set-up. He baffles every one of them with his "magic"—cigarette lighters, radios, telephones, and factories that produce a variety of manufactured articles. The complication ends when Mrs. Bennett, the Yankee's mother, brings him out of his unconsciousness into which he has fallen as the result of a shock from the radio in the Bennett's living-room. After being revived, Hank slowly comes to the realization that his unusual experience was merely a dream.

The cheerleaders, under the enthusiastic leadership of Miss Thoma, contributed greatly to the sports' activities this year. They attended all the football and basketball games and led the spectators in many an inspiring cheer.

The Winter Sports Dance was the outstanding event sponsored by the cheerleaders. Taking turns as head cheerleader brought out the fine spirit of co-operation of the group.

Football

It has been said that you can tell a real team by the way they take defeat. If that is true, then the Barnstable boys are real sports. Long hours of practice and the desire to win were not enough to make this a successful year from a winning point of view. Despite losses, injuries, and bad weather Mr. Levinson, the coach, and Mr. Luther Howes, assistant coach, have reason to be proud of the gallant Barnstable fellows, headed by Robert Childs as their captain—who played with unceasing determination, fight, and good sportsmanship.

This year's court representatives had a very successful season winning twelve and losing only two games. Spectators and opponents never knew which player would be the star for any particular game—therein lay our success. The guards, Keavy and Drew, were consistently good. In fact, they won more than one game for us by holding the opposing team to a minimum of points, and oftentimes making their forwards resort to long shots for their two point talleys. Peter Groop maintained his good rating of last year and Dick and Dwight Coggeshall and Bruce Besse were all stars for us on our home floor. One of the impressive victories, for the home-town rooters, was our first encounter and victory over the highly rated boys of Bourne High School.

After completing the season, the aggregation entered the Class A group of the South Shore Tournament. Oliver Ames High eliminated them by a one point margin.

Graduation will take only two first string men, Peter Groop and Richard Coggeshall. Coach Rogean, to whom a large measure of credit should go for our successful year, will have a good group for next year—potential Cape Cod champions.

Basketball

At the date of this writing, the baseball team has played no games. The general comment from onlookers who have viewed the boys at practice is that the year should prove highly satisfactory. Along with the veterans are some new members who will become first string men. There are ten scheduled games and Mr. Charles Howes is again coaching the boys.

Girls' Basketball

Directed by Coach Katherine Nehubian and led by Captain Priscilla Wittenmeyer, the girls' basketball team made an excellent showing this season by downing nine of their eleven opponents. There are many things to which the B.H.S. lassies attribute their success, with fine coaching, splendid passwork, and spirited teamwork leading the list.

Girls' Hockey

Although the Barnstable High School hockey girls experienced a very short season this year, they thoroughly enjoyed it. Playing only two games, both with Bourne, the girls came through with one win and one loss. To offset their first encounter at Bourne, which they lost, the team chalked up a 1-0 victory on their own field.
